

PieHeart

Vision Statement

Functioning in one heart, one mind, one body for a greater good ...

One with One with One. Together, we shape what happens in the world!

Your loving intention for our country and our world is a gift you can use to merge and share with others through PieHeart.

Here is information from Samuel about how much of an impact PieHeart has on our country:

"You can change the world in a few minutes a day through PieHeart! If you're looking for a positive, powerful and personally empowering way to serve this world, PieHeart provides the means to do just that from right in front of your computer. It is an opportunity to practice sending energy, and it is a way to see your energetic successes as you work with others in common Intent and Thought to save, protect, strengthen and empower this world toward Sacred Status."

This short meditation should only take a few minutes of your time and can be done any time during the week. It is as simple as clicking on the link and following the instructions. We will even be sending out a weekly e-mail reminder.

Round 53, Week 6, December 3-9, 2018

Meditation

Before starting, set your double anchor: see a white light flowing from your heart to Earth's center and back, and from your heart to Sirius (the brightest star in the night sky) and back.

Remember the triunity of manifestation: Think it, Speak it, Hear it.

State your intent: As Guardians of the Plan, we focus the love that we are toward wholeness of the United States in all its functions for the highest good of all involved.

Merge with the other people focusing on the PieHeart Meditation.

The nature of the energy you're sending would be toward releasing the illusion and replacing fear with Love; additionally, recognizing the Divine Feminine factor in the density change will help anchor that energy, which is a healing, higher function of energy for the world (and life force upon it).
